SENIOR CLASS

Our senior elections were both exciting and exhausting. The nominations, poster parties, campaign speeches, and, at last, the final ballot, which determined our senior class officers, all helped to make our senior year one that we shall never forget.

Combining energy for a candidates campaign.

". . . and I believe that my candidate . . ."

In the spirit at a poster party.

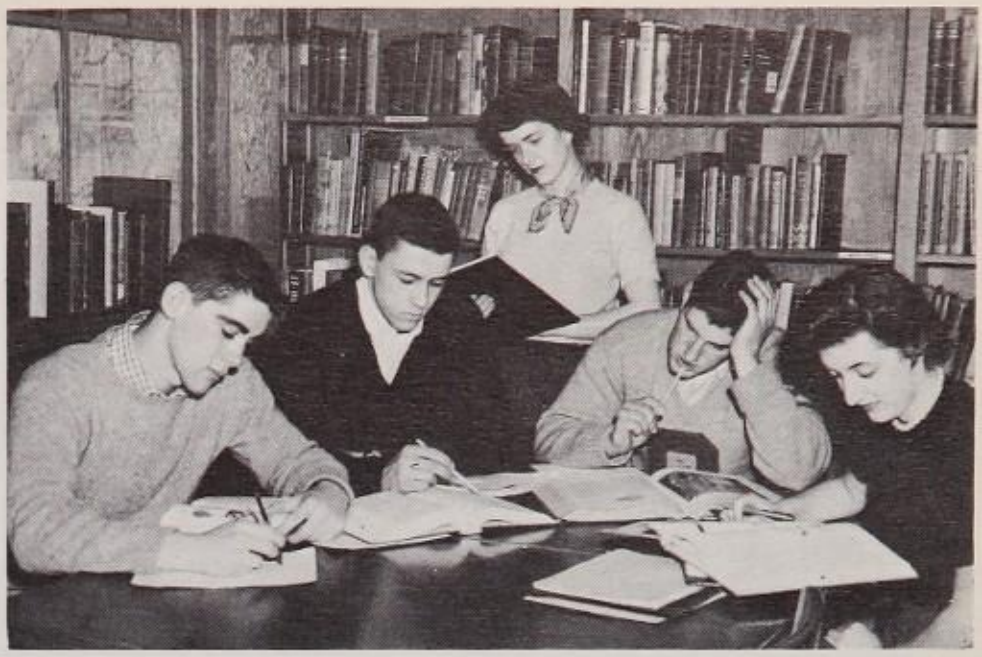
Smiles, tears . . . (the results).

Seniors scramble for campaign throw-aways.

Yo, heave ho at the 288-285 "tug of war"

HIGHLIGHTS

After elections, we settled down to the task of writing our term papers. Between the outline, the rough draft, and the final paper, we managed to name mascots, have study hall parties, and participate in all of the "strictly senior" activities.

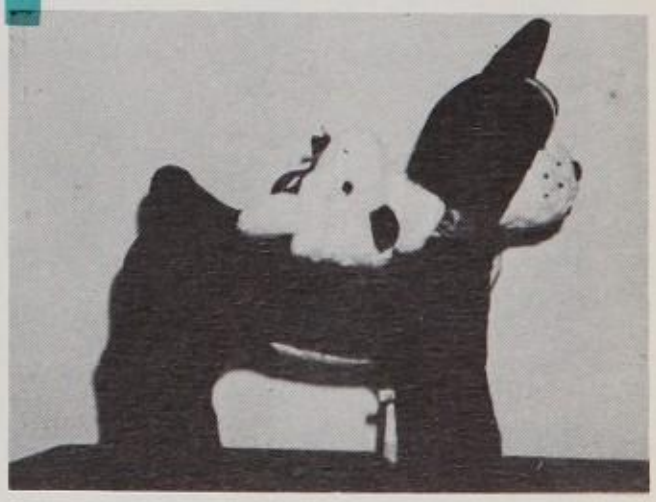


Seniors toil over term papers.

Have tux — will travel — to Prom.

It's a bird, it's a plane, it's a Senior rehearsing for the Senior Mixer.

101 cordially invited 288 to study hall party.



101's "Morgan" astride 390's mascot.

"TAKE CARE OF

An hilarious satire on college sororities was presented April 19th and 20th at 8 p.m. in the Redford High School auditorium.

It all began when Liz (Jill Bement) pledged the Queen Sorority. Liz's mother, an alumi Queen, told Liz that if she ate her spinach like a good girl, she too would become a Queen some day.

Becky (Carol Richardson), a girl from Liz's home town, is rejected by the Queens. Dallas (Elayne Sampson), the fashion plate of the sorority, described Becky as "The funny intense looking little thing with the glasses." Adelaide (Pat Piet), a very athletic and straightforward girl, is accepted by the Queens for "financial" reasons but declines her bid when she hears of Becky's rejection. Adelaide adds to the humor of the play by her rugged individualism.

Props Chairman, Bob Foltz, oversees committee members Linda Carnohan, Jane Allen, Arney Mustonen, Bruce Lacey, Nancy Branton, and Nancy Ross as they gather props.

Mary Leppala, Chairman of Costumes, watches Phil Nielsen, Nancy Moore, Barbara Vaughn, Doug Cleary and Carole Sutyak, as they examine the costumes.

Alice Cleven, Chairman of the Publicity Committee, points out an amusing scene in the play to her committee, Carole Stokes, Bruce Bowers, Murray Patterson, Roy Haeusler, Sue Green, and Jane Myers.

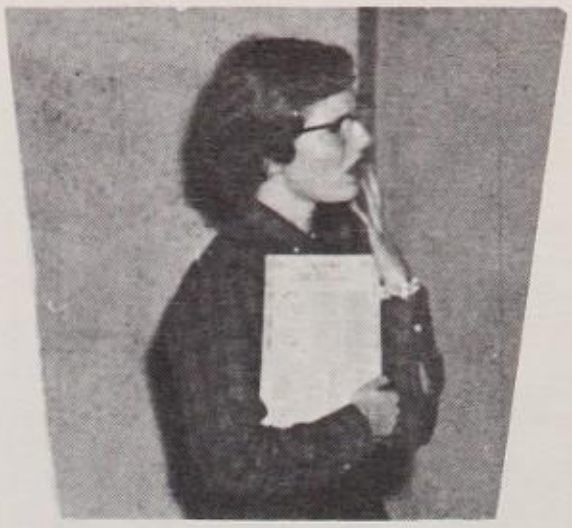
Director

SCENE STEALERS

Liz and Chad (Jill Bement and Wally Papciak) take the fatal step — and decide to go steady.



Becky (Carol Richardson) sorrowfully watches Liz imitate the way she dropped her purse at the rush tea.

Queen members hash over the list of new rushees.

Joe (Dale Barr) ousts rival (Wally Papciak) from the sorority housa.

MY LITTLE GIRL"

Liz forgets her old friends in the excitement of pledging a college sorority but finds them ready to help her when she needs them, unlike her sorority sisters. Liz surprises everyone by deciding that she really isn't "queen material" after all and turns in her resignation.

Other leading members of the cast were Linda Johnson as Mrs. Bellows, a Queen alumna; Carol Carver as Merry, the president of the sorority; Ed Miller and Dale Barr as Joe, the boy from Liz's home town; Walter Papciak and Dave Bates as Chad, Liz's fraternity boyfriend; and Gerri Fisher, Sue Green, Linda Patterson, Shirley Puthoff, Erma Smith, Judy Soltess and Jackie Strandberg as members of the Queens sorority.

Working behind the scenes were director, Mrs. Joyce Trotter, and student director, Charie Hunt.

Judy Waldorf, Makeup Committee Chairman, uses Linda Johnson to show her committee, Pat Stinson, Donna Schaffer, Pat Hill, Mary Manchester and Jane Cooper, how to apply makeup.

HOMER A. CLARK

PRINCIPAL

Dear Seniors:

Four years ago, you arrived here as an aggregation of separate, insecure and uncomfortable boys and girls. We hope that somehow, through the classes, the teams, the clubs, and the committees you have developed into a group in which each one feels at home, developed confidence in your own power to contribute in a worthy way to the group's progress, and, along with it, developed a corresponding loyalty to and responsibility for the group's progress. We hope you have grown physically, intellectually, emotionally, and spiritually.

You represent a tremendous investment of money, time, thought and devotion on the part of a great number of people. A slow, and in some cases, an uncertain process this is, but I know of no sounder, surer, or more effective way of enabling our social order to preserve the good things to which it has already attained, and of creating the greater cultural qualities and achievements which we will have to have to preserve and extend our heritage.

We wish for you the very best possible success in whatever field of endeavor the future may hold in store for you. Those fields will be varied; some will be going to college for further training, some into business, some into the armed forces, and some to marriage and starting a home of their own. In spite of the diversity of roads ahead we hope that your formative years while at Redford have been fruitful.

Keep this BLAZER. As the years go by it will become priceless as a means of reviving memories of those happiest and most care-free years of your life, the high school years. Come back to visit us whenever you can. You are always welcome.

Sincerely your friend,

Homer A. Clark

VARSITY BASKETBALL

Redford's basketball team, under the direction of Coach Bruce Waha, made use of the facilities of the new gymnasium for the first time.

The high point of Redford's basketball season was a closely contested game with Cooley, which we won by the score of 42 to 32. Sparked by Robert Schultz's outstanding leadership, Redford bettered its previous season by beating Chadsey, Cooley and Northwestern.

From the fine exhibition of effort displayed by the under-graduate players comes the promise of a really outstanding team of the future.

TENNIS

The returning lettermen of Redford's tennis team, under the direction of Coach Paul Lovchuk, are Bill Hershey, Tom Jennette, and Ken Mike. Of these three the only one who played regularly was Ken Mike. Bill Hershey and Tom Jennette won letters but played largely reserve positions. They are now playing regularly on the varsity squad. Phil Bebb, Ron Behmer, Sheldon Hall, Bob and Bill Stark, and Jack Vincent were playing regularly on last year's reserve team and are now playing regularly on the varsity squad.

Due to the graduation of the majority of last season's lettermen, it is doubtful as to whether this year's team will be a championship one. Through the experience gained during this season, Redford's tennis team will probably prove to be a championship team again next year.

Swish! The volley is returned.

TRACK TEAM

Redford's track team, though young and relatively inexperienced, has shown a great deal of spirit and improvement this season. It's coach, Mr. Ed Larimore, has worked hard along with the rest of the team; and they expect to be a fine well-rounded team for the West Side Finals.

Their real promise lies not only in the finals of this season but in the development of the future members of next year's team.

Track Team

Redford's track team promises to have a fine season this year under the direction of its new coach, Ed Larimore. The team is young and inexperienced, but due to the past action displayed in the few practice meets the team shall give a good accounting of itself in the Dual Meets; and according to our coach will have developed into an outstanding team in time for the West Side Meets.

BASEBALL

According to its coach, Redford's baseball team is quite unique this year. In the past pitchers have been hard to find, but this year there are five promising pitchers.

A fine pitching staff, several returning lettermen, and the expert guidance of coach Richard Stuckey have combined to form a fine baseball team. Through student support and hard work, our hopes are high for a fine season.

To the enthusiastic cheer of "Swim! Swam! Swum!" the girls gained six victories this season for a perfect record. Carolyn Edwards sparked the team as she established the records for a new event, the breast stroke with fish tail kick.

In addition to the regular meets, Redford won an exhibition meet from Fordson before the season began. This meet was the first for the girls in the new pool.

Next season the team will be without the services of 11 swimmers and both Co-Managers, who will be graduated this year.

STUDENT-FACULTY ACTIVITIES

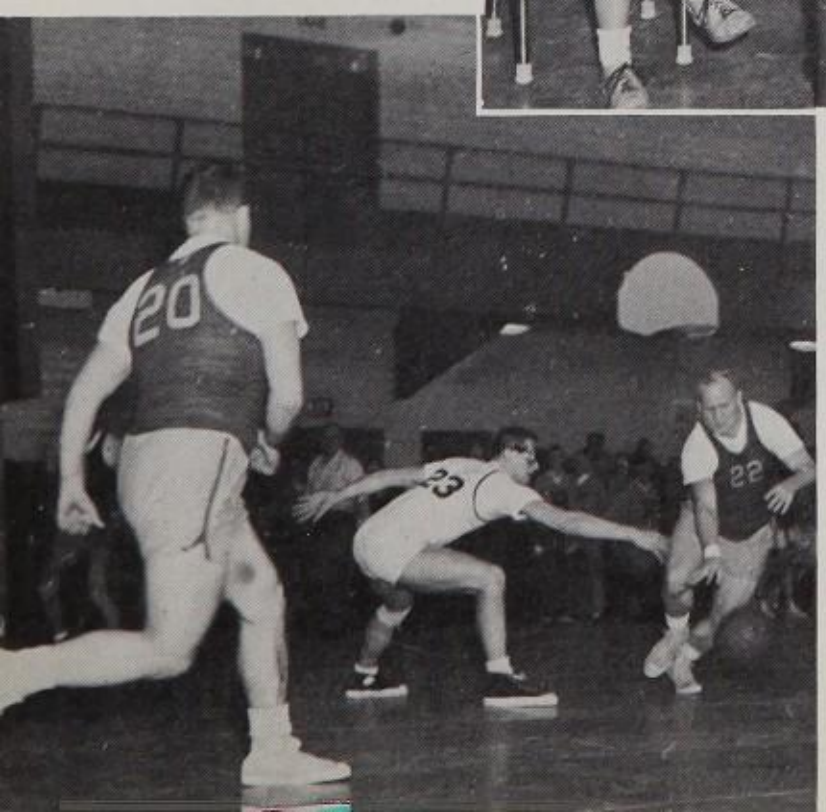
Pictures (from top to bottom):

Faculty and student bowlers admire Mr. Kitzman's highest score.

Who's winning? It's hard to tell at this point of the game.

Opponents anxiously wait while the scores of the games are totaled up.

Coach Larimore leads the students on a merry chase.



Student-Faculty games provide a lot of fun for both the teachers and the students. They promote better relations between both groups and enable everyone to become better acquainted.

The R-Club-Faculty basketball game was enjoyed by everyone who attended. Mr. Ceasar's and Mr. Hogle's clownish costumes were added attractions besides the good playing of both teams.

The Student-Faculty bowling tournament was equally enjoyable. All participants had enough fun to make up for any losses in scores.

The score of the basketball game was: Faculty 34, R-Club 27. The bowling tournament ended with 17 for the Faculty and 15 for the Students. Although the faculty proved their superiority in these two events, students are always ready to challenge them again.

Redford's new girl cheerleaders, under the direction of Miss Mary Gribble, helped to boost school spirit this year by participating in all the girls' and boys' basketball games. The girls consider the boys' Chadsey and Cooley games to be the most exciting of the season.

BOWLING LEAGUE

Team number nine with Steve Engel, Dick Logsdon, Sue Bray, and Ken Bonnville ended in first place this season.

Dale Seavoy had the highest boys' average with 167, and Pat Roth's average of 141 was high for the girls. Dave Happel's 253 was the highest individual boys' game and a 200 was scored by Pat Roth for the girls' high.

Many of the privileges and conveniences Redfordites enjoy are available because of the effort and work put into them by the Student Council.

Each semester the used book store is run by SC members. Another semi-annual projest is 8A Day. Faculty and students have the opportunity to become better acquainted at the Spring Social. Each spring the Building and Grounds Committee organizes "Operation Green."

Through these and other projects, the Student Council promotes understanding, cooperation, and school spirit among the student body, the faculty, and the community.

You'll hear that remark many times about telephone girls. Most people recognize that girls who work for Michigan Bell are not only attractive, but also smart and useful citizens.

When Jean started her job, she had no telephone experience. But she was trained with other beginners by friendly, understanding supervisors. Today she's proud of her work; enjoys a fine salary, vacations with pay, regular wage increases, and many new friends.

Jean was delighted from the very first by the clean, pleasant surroundings, by the regularly scheduled midmorning and midafternoon "breaks" for relaxing in comfortable lounge rooms. And she found the company thoughtful and considerate in so many ways, such as sending girls home in taxis when they worked the late evening shift.

Telephone work offers many advantages! Why not get in touch with us now? Find out more about the interesting jobs from which you can choose after graduation—customer representative, telephone operator, accounting and clerical work.

it's "touch and go" these days

There's little lingering in the laundry anymore. The washing is disposed of the automatic electric way. Set washer or dryer dial and away you go . . . to other jobs . . . even out of the house.

And the interesting thing is, by the time you change from Miss to Mrs., automatic electric work savers will have made your life more than ever "touch-and-go."
